President Button called a meeting of the faculty for a few minutes after chapel. It was moved by Mr. Groves and seconded by Dean Adams to send flowers to Mrs. Lewis, who is in the hospital in Nashville. Mr. Groves and Mrs. Carter were named as a committee to attend to it. It was announced at the same meeting that Mr. Lappin was permanently added to the faculty. President Button next requested that teachers pass in the courses that they expect to offer during the summer term not later than April 1st. They immediately adjourned and went to classes.

Faculty met in Room 11 of the Administration Building.

The following were absent:

Miss Carpenter, Mrs. Carter, Mr. Downing, Miss Humphrey, Mr. Lappin, Miss Shader, Miss Ruth Vansant and Mrs. McGuire.

We were led in prayer by Mr. McGuire. The minutes of the previous meeting were read and approved.

The following business was transacted:

Mr. Downing requested that the ball team be given permission to make six consecutive engagements which would necessitate their being out of school for a week. It was moved by Dean Adams, and seconded by Mr. McGuire that the matter be referred to the Athletic Committee, requesting them to investigate the scholarship of the boys. President Button gave the committee full power to act in all questions pertaining to their eligibility.

A report was heard from the different committees on the dedication.

President Button asked that those who wanted to go to the K. E. A. pass their names in to the chairman of the committee on the K. E. A., Mr. Jayne, and that he arrange the schedule in such a way that the work might go on as usual.

The chairman of the committee on chapel attendance reported that they ^{had} had a meeting, but were not able to make a report. Dean Adams moved that the names be taken alphabetically, half one day and half the next, compelling each half to attend chapel two days out of each week, and opening it on Friday to all who cared to come. Mr. McGuire amended it to the effect that they take one-half of the number of the students- 701- and let one-half come one day and one-

The Winners Of Contest Announced

On Wednesday evening last, in Burgess Hall Auditorium, occurred the "battle royal" for the honor of representing M. S. N. in the Eastern Oratorical Association, in Richmond Kentucky on April 16.

Interest is intense because M. S. N. has won the medal for two successive years. Victory for three successive years permits the intercollegiate trophy to remain with that school as a permanent possession.

The Program of readings by Philadelph Rice under the auspices of the Dramatic Club was one of the most enjoyed numbers given at the Normal this year. Mr. Rice is a finished reader and held his audience from start to finish, in spite of the fact that he was ill at the time of his program.

The Dramatic Club is to be congratulated on providing entertainment of such high order for the pleasure of the students.

THE MOREHEAD NORMAL NEWS

VOLUME 1.

THURSDAY APRIL 22, 1926

NUMBER 4.

TEAM TO GO TO WINCHESTER

On Friday of this week the Morehead Normal Baseball team will cross bats with the strong aggregation from Wesleyan College at Winchester.

The game should prove to be one of the best of the season as Wesleyan is said to have an unusually strong team and one that is out to go through the season without a defeat.

However Morehead has also a better team than ever before and after the showing they made in their first game, we have every confidence that they will make a good showing at Winchester. In fact we believe they will come home with another victory in their favor.

At any rate they will go and play a clean game, winning if they can by putting out the best that is in them. They ask and are entitled to have the students of M. S. N. behind them and pulling for them. As students we should and will be more than glad to do everything we can for them, pulling for them, rooting for them and encouraging them to do their best for M. S. N.

We have the spirit. Let's keep it. Here's wishing our team success from both the students and the faculty.

As many as can arrange to do so are planning on accompanying the team to Winchester.

The Agricultural department sent a class to Dr. Van Antwerps orchard Wednesday.

Mr. Mike Kimbrel was visiting on the campus Monday evening.

Entertain Haldeman

On Thursday of last week the members of the Dramatic and Music Clubs of the Morehead State Normal School gave a most entertaining program, and musical at the Haldeman school. Those participating from the music department were Messrs. William Sample, D. J. Carty, Jack Lewis, Madison Wilson and Misses Lucille Caudill, Mary Jo Wilson, Mary Sue Miller, Lottie Powers and Director Miss Emme Shader. Those from the Dramatic Club who took part in the entertainment were Misses Marie Holbrooks, Dorothy Miller, and Messrs. Ernest White, W. D. Scroggins, D. J. Carty and Roy Cornette and Director Miss Evelyn Royalty.

The program was much enjoyed by the people of Haldeman and many expressions of praise for the work of the students were heard.

DELEGATES TO GO TO CONFERENCE

Special efforts are being made this year by the Y. M. C. A. to send at least five delegates to the Blue Ridge Conference in session from June 14 to 24. This is a wonderful opportunity for anyone and certainly no young man's education is complete without at least one trip to that "Land of the Sky." Laying aside all of the other benefits and considering only the one obtained from the contact with Christian young men from more than 100 colleges of the country is sufficient to convince anyone, who is contemplating a summer vacation, that this is an ideal place.

A Number of plans are being discussed by the committee on this move; but the main issues are how to get more money and how to use what is in the treasury so that it will help defray the expenses of more students. The expenses are \$25, board for the ten days and \$7.50 registration fee plus the transportation charges which are low when taking an automobile, as Wesleyan College did last year.

We trust you will bear this in mind, when you are solicited, and give this matter due deliberation before you act.

Floyd County Club Active

One of the largest and most active of the county clubs recently organized is that from Floyd County, members of which went on a hike last Monday evening. About sixty members were there to take part in the fun.

Floyd county is so well represented in the Normal that the club can plan and carry out almost anything in the way of amusement that they wish. The members are certainly getting together and enjoying every minute of their spare time in friendly sports and pleasure.

Prof. Lapplin Talks

Prof. W. C. Lappin gave a most interesting talk in chapel Monday morning. He gave to the students in a few words that which would take us years to get from text books. He gave us an idea of the distance and size of many of the stars, planets and even this old earth of ours from the numerous planets. The ones failing to attend chapel are missing several good talks. Another thing they miss by not attending is the announcements of what is going on. They never know what engagements they have or where they are to meet.

DRAMATIC CLUB REVIEW

The purpose of training in expression is to develop individuality so that one may be original and not imitative in his methods, to correct bad habits of speech and gesture by fixing good bits in their stead, to make the body a responsive instrument to obey the activities of the mind and the impulses of the heart and enable one to hear the trumpet call of all art which is "awake to your kinship with the eternal." This can be accomplished in part thru work in dramatics.

Everywhere from the small town to the great cities, you hear the cry "The play's the thing." The spirit is with one in childhood—nor does it leave him entirely when he enters the realm of manhood.

It is particularly significant that those concerned with education, teachers both in the elementary and high schools, as well as the far-sighted educators in our largest universities, are concerning themselves more and more with the production of plays which offer good entertainment while at the same time encouraging greater spiritual freedom and a better understanding of the things that govern our universe.

The Dramatic Club of Morehead State Normal offers the opportunity to satisfy this desire and at the same time receive training that will enable one to be more expressive both in speech and body.

"The Thirteenth Chair" is unlucky but don't miss it in the Normal Auditorium April 28.

M. S. N. HONORED

Kentucky has been allotted two full time scholarships to the Blue Ridge Association for Christian Conference and Training held in Blue Ridge N. C. beginning June Third to September the first. All standard colleges give credit for work done by this association.

These scholarships are chosen during the year on the basis of the accomplishments of the various Y. M. C. A. organization throughout the state.

From seventy organizations eligible for these scholarships one of the honors was bestowed upon the Y. M. C. A. of Morehead.

W. O. Leedy, our president elect has been chosen by the Blue Ridge Association as our representative for this scholarship.

We feel proud of this honor. Not only are we proud of this recognition due to our accomplishments during the past year; but of what it shall mean to this young man and to the Y organization of which he has been chosen President.

We feel assured that out of the personal contact with the Christian professors, the close fellowship with the hundreds of young men who are devoting their lines to the services of God and the wholesome atmosphere and the most beautiful land-scape painted by the hands of mother nature shall arise a nobler man-hood than his past life could record in history or celebrate in song and which will reflect upon the lines of all with whom he may come in contact.

A strong appeal is being made to give more of our young men this opportunity. We greatly appreciate the response of the citizens of Morehead who have so liberally supported us in this cause.

D. J. Carty Pres. Y. M. C. A.

M. S. N. WINNER

The Eastern Kentucky Oratorical Association Contest was held at Richmond, Friday, April 16. The Public Discussion Contest was held at three-thirty in the College Auditorium. D. J. Carty of Morehead State Normal won first place honors, and the gold medal. Raleigh Hall of Berea received second place. At five thirty a banquet was served to the contestants, Coaches, and Judges in Sullivan Hall. The evening the Oratorical

and Dramatic Reading Contest was held in the gym.

Morehead was not represented in the Oratorical contest. R. E. Swamm of Sue Bennett School was winner of the Oratorical Contest. Miss Caroline Moores of Richmond carried off the medal from the Dramatic Reading Contest. After the contest a reception was held at Burnham Hall.

We believe we should have had two medals but the Judges, Dean White-side of Winchester, Mr. Evans of Corbin, and Mr. Scott of Paris, thought differently.

The Dramatic Club is proud of its distinguished members, Marie Holbrooks dramatic reader, and D. J. Carty, and our Sponsor Miss Royalty.

The contest is to be held in Morehead next year. It is to be confined to High School students only. The Association decided to add a Humorous reading contest to the other three. It is hoped that our visitors will be as royally treated, as we were treated in Richmond.

Those Attending from Morehead were Misses Royalty, Marie Holbrooks, Dorothy Miller, Lucille Caudill, Mary Ellen Kash, Elizabeth Jordan, Agnes London, Vandette Landers, Mary Sue Miller, Mette Redwine, Mrs. Rose Conlee, Mrs. Eliz. Razor, Mrs. Wm. Turpin, Messrs. Roscoe Isham, Bill Sample, Roy Cornette, Bruce Stigall, Montoyre Clark, John McGlahlin, Delbert Alley, D. J. Carty and Prof. and Mrs. D. M. Holbrooks.

TO THE PRESIDENT AND BOARD OF REGENTS OF MOREHEAD
STATE NORMAL:

We, the undersigned students, petition the Present and Board of Regents, asking them to consider our wishes and rights:

1. The executive officers of the institution apparently are trying to make every department pay a profit. We believe the students should pay for the upkeep of the institution, but not a profit to put back into the general fund of the institution, recognizing the fact that the State Legislature has appropriated money to pay teachers' salaries and overhead expenses, and that the students of the institution should not be required to pay into this fund.
2. We demand an adjustment to the cafeteria rates, corresponding to the announcement in the catalogue. As it now stands, it is impossible to live on \$3.50 per week.
3. The registration fee should not go into the general fund, as it is now doing, but should be given back to the student activities to make student live more bearable in the institution.
4. We feel that the President's promise to a student should be upheld by the Board of Regents, because he is in position to know the needs of the student better than any member of the Board. We feel that the policies of the President are right, and that his hands are tied by some force unknown to us, and that the Board of Regents see that this restriction is removed, so that he can develop this institution to the best interests of student life.
5. This institution was caused to be founded to serve students and all of us are not developed athletes. Therefore, the needs of the student should be considered in the distribution of scholarships and **not** his athletic ability.
We further feel that the political affiliation of the student should not be considered in the awarding of scholarships.
6. We feel that the State's money should be distributed equally in providing opportunities for girls and boys.
7. We feel that the boarding facilities in the town of Morehead are so awfully poor that the boys have the right to demand a dormitory.
8. We feel that the Board of Regents should use their efforts to make this a four-year creditable college.
9. Since the Board of control of other State institutions of Kentucky and other states are supporting institutions for development of religious life, we feel that we have the right to ask the Board of Regents to support, and that they should support a Y. M. C. A., and a Y. W. C. A., in the Morehead Normal School. The institution and faculty exist for the service they can render students, and we feel that religion is a part of education, and since the law prohibits the teaching of religion, this should be gained thru non-sectarian organizations on the campus. The above named organizations are non-sectarian.

10. That the number of girls in a room in the dormitory should not be increased, unless they are given reduced rates.

11. That better provisions be made for a "school" doctor for the students' use in cases of sickness.
